An evening walk through the art galleries of Hermanus

Hermanus First Friday Artwalk

‘First Friday’ in Hermanus is our part of a worldwide initiative to make art and art galleries more accessible to the public.

On the First Friday of every month, the nineteen art galleries in the centre of Hermanus remain open until 8pm.

Stroll through the village, savour a glass of wine from one of our local vineyards and enjoy the astonishing range of art and fine craft on display.
